Engineering Experience Abroad:
Study      Internship      Research      Service Learning

Location of Abroad Experience: ___________________________________________

☐ At least nine credits of the minor must be at the 300-level or above and six of those credits must be University of Maryland resident credits.
☐ No more than six (6) credits may be transferred from another institution to count toward the minor.
☐ No more than six credits can double count between the student’s major and minor.
☐ No courses can double count between two minors.
☐ An earned grade of “C-” or better for each course in the minor and a minimum 2.0 minor GPA required.
☐ Completion of the minor requires an engineering study, service learning, research or internship abroad.

List of courses to double count towards your major and minor: ___________________________________________
